

Nuclear Medicine Center at AUFMC

The Angeles University Foundation Medical Center (AUFMC) in Angeles City, Pampanga, under the leadership of Atty. Emmanuel Y. Angeles, former AUF President and now Chairman of the Commission on Higher Education (CHED), recently inaugurated and launched the AUFMC Nuclear Medicine Center on January 9, 2009. The Center, which aims to contribute to the improvement of health services in Central Luzon by promoting and conducting Nuclear Medicine procedures and treatments, is headed by Dr. Eric B. Cruz, an active member of PSNM. It also has Mr. Allen Naguit and Ms. Cherry Galvan as Nuclear Medicine technologists. For inquiries, please call the AUFMC Nuclear Medicine Center at telephone # (045) 625-2999 local 2475
